## Please bring models to display!

The most important part of any prototype meet is the model display. Models in all stages of completion are welcome. And there are no contests, so don't be concerned you'll be held to some imaginary standard. **Bring your models!** We're planning a great array of clinics some of which may be hands-on, so be sure to bring along basic tools.

Visit our website and our Facebook page for galleries, updates, clinic descriptions and schedules.
